

Clayton Valley Presbyterian Children's Center

Dear Parents,

We want to share the daily happenings with all parents. On occasion, we will take photos of the many activities the children are taking part in. We would like to post photos in the classroom, as well as email these photos to parents, but want to make sure we are doing so with your permission, and within your comfort level. Please choose all options below that fit your needs:

_____ I am okay with my child's photos being posted in the classroom.

_____ I am okay with my child being in photos that are sent to all parents.

_____ I am not okay with my child being in photos that are sent to all parents.

_____ I am okay with my child being in photos that are only sent to me.

_____ I do not want my child in any photos

Child's Name: _____

Parent Signature _____

Date: _____
