

Clayton Valley Presbyterian Children's Center

Dear Parents,

California State Health Services requires Child Care Centers to obtain written approval or instructions from parents prior to administering non-prescription medication to children in care. Sunscreen is considered a non-prescription medication. The approval or instructions must be maintained in the child's file.

NAME OF CHILD: _____

I give the teachers of Clayton Valley Presbyterian Children's Center permission to apply sunscreen to my child as needed for their own protection against the sun.
